***Commodity Records can automatically be "re-used" up to 220 times a year**

As you move a commodity out of your possession with records to the receiving party or archive in the database, an automated calculator credits records towards your account as it can be "re-used" up to 220 times.

If the Commodity Record (vegetable, meat, fish, etc) is used 220 times the
price per record is only USD 0.0025

Location Records

stay in the system for ever as locations don't move
